Why Associate Member Portal (AMP)?

AMP is a web portal designed to facilitate the registration process by taking prospective associate members through a step-by-step process, allowing them to provide all the necessary information to enable AFRINIC to expedite their request for membership.

How to submit a membership application?

1. Go to <http://afrinic.net/apps2/associate-member>
2. Complete registration with required details.

For any additional information, please contact us at: new-member@afrinic.net

What is an Associate Member?

Any individual or corporate body of the public sector to include governmental, intergovernmental, and non-governmental organisations, and of the private sector, entities who do not need number resources assigned under the AFRINIC Service Agreement, but who manifest an interest in number resource management, and the mission of AFRINIC, eligible to become an AFRINIC member.

The Associate Membership Process

1. Register on the portal.
2. Membership request submitted online is evaluated by AFRINIC.
3. Upon approval, membership fee invoice is issued to applicant.
4. Invoice payment and signature of the Associate Membership Agreement by the Applicant.
5. Membership is confirmed and applicant is notified once payment and signed agreement are received by AFRINIC.
