

1. Support Proposals

The African Network Information Centre (AFRINIC), AFNOG and the AF* organizations are looking to partner with institutions or organizations that are willing to be the local host for our next event.

Interested parties are requested to fill in the application below and to send the complete form via the meeting@afnic.net and secretariat@afnog.org

The AIS meeting team is glad to answer any questions you may have with regards to submitting the proposal or to the meeting process.

1.1 Application Form

AFRINIC & AFNOG invite the Internet related bodies and IT stakeholders within the AFRINIC service region (Africa and Indian Ocean) to submit their interest in hosting the Africa Internet Summit.

AFRINIC holds two public policy meetings every year. The first meeting is the Africa Internet Summit which is run jointly with the Africa Network Operator's Group (AfNOG) and the other AF* organizations held in May and the second one is the AFRINIC stand-alone held in November. You may wish to find more details at https://afnic.net/images/Guide_to_hosting_AFRINIC_meetings.pdf
