

Brief CURRICULUM VITAE

Saul Stein

Name: Saul Avron Stein
email:
Date of Birth:
Nationality: South African
Native Language: English
Degree Attained: Bachelor of Technology, Electrical Engineering (communications)

EMPLOYMENT

Aug 2007 – Present

Company: eNetworks (ISP)
Position: IT Manager
Skills: Project management, Business Analysis, Linux, Networking

eNetworks is corporate ISP. Under my guidance, eNetworks has obtained its own IP resources, v4 as well as native v6, been an early adopter of RPKI and MANRS compliant.

In addition to the responsibility of maintaining and growing our infrastructure, I am also responsible for vendor management and delivery, product development and business systems development.

During this time, I have been actively involved in AFRINIC, contributing to the RPD as well as the membership and community mailing lists.

Aug 2004 – July 2005

Company: Syscom (ISP)
Position: Founder, Technical Director
Skills: Project management, Linux, Windows & Networking

March 2001 – July 2004
