

Consolidated Policy Manual Review Exercise

2 June 2022

What does it entail?

- ❖ Complete verification that all ratified policies are present in the Consolidated Policy Manual

Identify > Peer Review (Internal) > Inform PDWG > Update CPM

- ❖ Overlaps/inconsistencies between sections of the Consolidated Policy Manual

Identify > Peer Review (Internal) > Inform PDWG > CPM Updates through ratified policy proposals

What does it entail?

- ❖ Identify text that are not/no longer relevant to resource policies (e.g if they refer to fees)

Identify > Peer Review (Internal) > Inform PDWG > CPM Updates through ratified policy proposals

- ❖ Update the CPM sections with a link to the applicable ratified proposal

Identify > Peer Review (Internal) > Inform PDWG > Update the CPM

- ❖ Identify any editorial updates that are required

Identify > Peer Review (Internal) > Inform PDWG > Update if consent is provided

Way forward

Problem areas in the CPM will be published on the website as we progress through the exercise.
