Services Support	service-support [at] afrinic dot net
Outages	noc [at] afrinic dot net

How to subscribe to the mailing list?

There are two ways:

1. Filling the online form which can be obtained by clicking the different lists below.
2. By email: you can send a request to list_name-request@afrinic.net , with the word subscribe in the subject field.

Description	List Name	Archives
-------------	-----------	----------

The IANA oversight transition proposal needs to have community support and input from the AFRINIC

- Support and enhance the multi-stakeholder model
- Maintain the security, stability, and resiliency of the Internet DNS

Email & mailing lists

Last Updated Wednesday, 17 May 2017 15:21

- Meet the needs and expectation of the global customers and partners of the IANA services
- Maintain the openness of the Internet
- This list will help to facilitate the discussion on this process.

This list is a common area for discussion on this process.
